### **John L. Levinsohn Center for Dynamic Aging**

**(COMMITTED. Naming opportunities within the Center remain.)**

The new Center will enhance physical and mental health and provide healthy living resources for residents.

### **Lobby**

An expanded lobby will warmly welcome residents and visitors, and a new, larger, living room seating area enhanced with a cozy, indoor/outdoor fireplace will be a favorite gathering place for all.

## \$100,000 and Above

### **Auditorium (COMMITTED)**

The auditorium is a hub for programs and activities and will include new windows, lighting, A/V capacity, HVAC, wheelchair lift for the stage, finishes and fixtures.

### **Main Pedestrian and Vehicle Entrance**

The “**Gateway to the Redwoods**” will provide a beautiful and welcoming entrance from Camino Alto onto our revitalized campus. The new design will improve safety, traffic flow and parking, and aesthetically enhance one of Mill Valley’s busiest intersections.

### **Main Dining Room**

This popular gathering place will delight residents and their families as they dine under new lights that provide a softer ambience, and they will enjoy lively conversations thanks to acoustical improvements. New finishes and furniture will add to a more elegant dining experience.

### **Kitchen**

The new kitchen features an expanded design that allows staff to move freely, efficiently, and safely as they prepare more than 500 tasty and healthy meals each day. Included will be new lighting, state-of-the-art equipment, appliances, and more expansive work stations.

## \$50,000 and Above

### **Library (COMMITTED)**

This gathering place will have added charm with new, comfy furniture, improved lighting, and a cozy fireplace. New, larger windows will afford pleasant views of the garden, courtyard, and natural landscaping.

### **Lounge and Activities Room at Miller and Camino Alto (COMMITTED)**

This well-appointed space for groups up to 50 will host meetings, social gatherings, and performances. The lounge will feature new windows, furnishings, a state-of-the-art A/V system, and a hearing assistance loop system that will enable greater enjoyment of offered programs.

## \$25,000 and Above

### **Zen Garden (2 COMMITTED)**

This uniquely designed space will be used for meditation, relaxation, and healing.

### **Campus Landscaping**

Water-conserving gardens will delight the eye and beckon residents to enjoy the landscape and encourage walking with easy pathways and benches for rest and contemplation.

### **Marsh Viewing Plaza (COMMITTED)**

This popular wildlife viewing area next to Richardson's Bay is open to the public, and the new plaza will have ample seating to view the rich marsh habitat, including ducks, geese, egrets, herons, and other beautiful birds.

### **Art Studio**

The new art studio will inspire creativity by hosting classes for drawing, painting, and writing. The room will also house a ceramic kiln, have large windows, durable floors, storage cabinets, tables, chairs, and sinks.

### **Fitness Studio**

A well-lit studio will provide approx. 1,000 sq. ft. for strength training and an array of exercise and dance classes.

### **Women's and Men's Locker Rooms**

New locker rooms for changing and showering will link to the John L. Levinsohn Center for Dynamic Aging and house much needed, additional bathrooms for the campus.
